

CWICE

Child Welfare Immigration
Centre of Excellence

2023-24 Highlights

Service

1,340 individuals received child welfare and brief services

779 referrals total

100 referrals for Unaccompanied and Separated Children and Youth

38 repatriation and reunification referrals

“Excellent service, very knowledgeable and helpful staff, thank you.”

60 new citizenship inquiry referrals from **13** agencies across the province.

Our clients were connected to **92** countries across **6** continents.

Training

373 child welfare professionals attended the CWICE Certificate Program, representing

10 child welfare organizations from

4 provinces across Canada.

3 classes graduated from the Certificate Program.

“Excellent training, this should be mandatory for everyone involved in direct service in child welfare.”

Course provided for foster caregivers, and another for service providers outside of child welfare.

Outreach

2163 individuals reached through **50** presentations

We are proud to have testified at the Senate of Canada in support of Bill S-235, which seeks to ensure that children and youth in care across Canada are able to obtain citizenship.

“CWICE is a valuable resource for child protection workers!”
